

# Health and Safety Training

**The Logistics Skills Alliance offers a wide range of courses to protect yourself and others within your working environment.**

We have a flexible approach to training, which can be delivered through a combination of practical and theory based learning, hands on experience or online.

## Why the LSA?

- Our trainers have years of industry experience which, coupled with a real passion for their subject, makes them ideal to meet your needs. They are also chartered and graduate practitioners of the Institute of Occupational Safety and Health (IOSH), certifying their ability to provide the most up-to-date and accredited training.
- We can deliver nationally and via multiple channels, i.e. online or through our network of centres to meet your needs.
- We offer nationally recognised qualifications and can link health and safety courses into programmes such as apprenticeships.
