

Management CPC in Road Haulage

The Transport Management Certificate of Professional Competence in Road Haulage is offered on behalf of the Department for Transport in relation to the current EU Directive.

This incorporates both national and international legislation. It is a 'licence to practice' and a legal requirement of the operator licensing system.

The course is suitable for any candidates wishing to enter the profession of road haulage transport management or to demonstrate competence in meeting the operator licensing requirements. The requirement for a CPC is contained within the Goods Vehicle (Licensing of Operators) Act 1995 and it is these regulations that implement the EU Directive 74/561.

Entry requirements

Candidates must be:

- Professionally competent (pass the CPC examinations)
- Of good repute
- Of appropriate financial standing
- Have a good level of English & maths (we can provide support if required).

Why the LSA?

- We have flexible methods of delivery to suit your needs, i.e. intensive classroom based with a home study pack and revision and mock test days.
- Our trainers have up to date operator experience at a senior level
- We have excellent facilities to ensure an environment to support you and your staff.

Course content

- A Civil law
- B Commercial law
- C Social law
- D Fiscal law
- E Business and financial management of the undertaking
- F Access to the market
- G Technical standards and technical aspects of operation
- H Road safety.

Examinations take place 4 times per year, in March, June, September and December. All examination entries must be registered with OCR 4 weeks prior to the examination date.
